Summary of Sales Comparison Approach: The subject along with the five comparable sales are similar sized studio condominium units located within condominium buildings within Manhattan. We adjusted the comparable sales where differences existed such as variance in gross living area (GLA) by a factor of $200.00 PSF. Floor level was adjusted by $2,000 per floor. Deeded parking for comparable 4 and 5 was adjusted by $60,000. The subject unit was rated in overall GOOD condition on the date of inspection. All four comparable sales are rated in similar C2: Good condition. We noted a limited number of similar comparable condominium sales similar to the subject in age, design and appeal requiring us to utilize four comparable sales outside the subject condominium project. Comparable sale 1 was located within the subject condominium complex, whereas comparable sales 2, 3, 4 and 5 were situated outside the subject condominium complex. We will note that all five comparable sales were larger than the subject unit. Having said this, the subject's smaller unit size does not affect marketability. We utilized the paired sales analysis when arriving at an adjusted sale price. In our final analysis we placed greatest emphasis on comparable sales 1, 2 and 3 when arriving at an estimate of value for the subject unit.

RECONCILIATION

Indicated Value by: Sales Comparison Approach $ 665,000 **Income Approach (if developed) $** 665,000

In our final analysis we placed greatest emphasis on comparable sales 1, 2 and 3 in the sales comparison approach to value. We noted that there were a very limited number of similar comparable condominium sales similar to the subject in age, design and market appeal requiring us to utilize other comparable type units. We will note that there were no other recent comparable sale (other than comp 1) which were sold and closed within the subject condominium building which could be utilized for valuation purposes. We will note that comparable 4 was an active listing which just entered contract on 07/2026. Having said this, all five comparable sales offered similarities relative to the subject which include similar location, design, appeal and gross living area (GLA). Exposure marketing time for the subject property is determined to be within a 3-6 month period.

This appraisal is made ☒ "as is", ☐ subject to completion per plans and specifications on the basis of a hypothetical condition that the improvements have been completed, ☐ subject to the following repairs or alterations on the basis of a hypothetical condition that the repairs or alterations have been completed, or ☐ subject to the following required inspection based on the extraordinary assumption that the condition or deficiency does not require alteration or repair: This appraisal is completed "As-Is".

Based on a complete visual inspection of the interior and exterior areas of the subject property, defined scope of work, statement of assumptions and limiting conditions, and appraiser's certification, my (our) opinion of the market value, as defined, of the real property that is the subject of this report is $ 665,000 , as of 08/04/2026 , which is the date of inspection and the effective date of this appraisal.

This report form is designed to report an appraisal of a unit in a condominium project or a condominium unit in a planned unit development (PUD). This report form is not designed to report an appraisal of a manufactured home or a unit in a cooperative project.

This appraisal report is subject to the following scope of work, intended use, intended user, definition of market value, statement of assumptions and limiting conditions, and certifications. Modifications, additions, or deletions to the intended use, intended user, definition of market value, or assumptions and limiting conditions are not permitted. The appraiser may expand the scope of work to include any additional research or analysis necessary based on the complexity of this appraisal assignment. Modifications or deletions to the certifications are also not permitted. However, additional certifications that do not constitute material alterations to this appraisal report, such as those required by law or those related to the appraiser's continuing education or membership in an appraisal organization, are permitted.

SCOPE OF WORK: The scope of work for this appraisal is defined by the complexity of this appraisal assignment and the reporting requirements of this appraisal report form, including the following definition of market value, statement of assumptions and limiting conditions, and certifications. The appraiser must, at a minimum: (1) perform a complete visual inspection of the interior and exterior areas of the subject unit, (2) inspect and analyze the condominium project, (3) inspect the neighborhood, (4) inspect each of the comparable sales from at least the street, (5) research, verify, and analyze data from reliable public and/or private sources, and (6) report his or her analysis, opinions, and conclusions in this appraisal report.

INTENDED USE: The intended use of this appraisal report is for the lender/client to evaluate the property that is the subject of this appraisal for a mortgage finance transaction.

INTENDED USER: The intended user of this appraisal report is the lender/client.

MARKET VALUE: The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller, each acting prudently, knowledgeably and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby: (1) buyer and seller are typically motivated; (2) both parties are well informed or well advised, and each acting in what he or she considers his or her own best interest; (3) a reasonable time is allowed for exposure in the open market; (4) payment is made in terms of cash in U. S. dollars or in terms of financial arrangements comparable thereto; and (5) the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions* granted by anyone associated with the sale.

*Adjustments to the comparables must be made for special or creative financing or sales concessions. No adjustments are necessary for those costs which are normally paid by sellers as a result of tradition or law in a market area; these costs are readily identifiable since the seller pays these costs in virtually all sales transactions. Special or creative financing adjustments can be made to the comparable property by comparisons to financing terms offered by a third party institutional lender that is not already involved in the property or transaction. Any adjustment should not be calculated on a mechanical dollar for dollar cost of the financing or concession but the dollar amount of any adjustment should approximate the market's reaction to the financing or concessions based on the appraiser's judgment.

STATEMENT OF ASSUMPTIONS AND LIMITING CONDITIONS: The appraiser's certification in this report is subject to the following assumptions and limiting conditions:

1. The appraiser will not be responsible for matters of a legal nature that affect either the property being appraised or the title to it, except for information that he or she became aware of during the research involved in performing this appraisal. The appraiser assumes that the title is good and marketable and will not render any opinions about the title.

2. The appraiser has provided a sketch in this appraisal report to show the approximate dimensions of the improvements. The sketch is included only to assist the reader in visualizing the property and understanding the appraiser's determination of its size.

3. The appraiser has examined the available flood maps that are provided by the Federal Emergency Management Agency (or other data sources) and has noted in this appraisal report whether any portion of the subject site is located in an identified Special Flood Hazard Area. Because the appraiser is not a surveyor, he or she makes no guarantees, express or implied, regarding this determination.

4. The appraiser will not give testimony or appear in court because he or she made an appraisal of the property in question, unless specific arrangements to do so have been made beforehand, or as otherwise required by law.

5. The appraiser has noted in this appraisal report any adverse conditions (such as needed repairs, deterioration, the presence of hazardous wastes, toxic substances, etc.) observed during the inspection of the subject property or that he or she became aware of during the research involved in performing this appraisal. Unless otherwise stated in this appraisal report, the appraiser has no knowledge of any hidden or unapparent physical deficiencies or adverse conditions of the property (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) that would make the property less valuable, and has assumed that there are no such conditions and makes no guarantees or warranties, express or implied. The appraiser will not be responsible for any such conditions that do exist or for any engineering or testing that might be required to discover whether such conditions exist. Because the appraiser is not an expert in the field of environmental hazards, this appraisal report must not be considered as an environmental assessment of the property.

6. The appraiser has based his or her appraisal report and valuation conclusion for an appraisal that is subject to satisfactory completion, repairs, or alterations on the assumption that the completion, repairs, or alterations of the subject property will be performed in a professional manner.

APPRAISER'S CERTIFICATION: The Appraiser certifies and agrees that:

1. I have, at a minimum, developed and reported this appraisal in accordance with the scope of work requirements stated in this appraisal report.

I have adequate comparable market data to develop a reliable sales comparison approach for this appraisal assignment. I further certify that I considered the cost and income approaches to value but did not develop them, unless otherwise indicated in this report.

5. I researched, verified, analyzed, and reported on any current agreement for sale for the subject property, any offering for sale of the subject property in the twelve months prior to the effective date of this appraisal, and the prior sales of the subject property for a minimum of three years prior to the effective date of this appraisal, unless otherwise indicated in this report.

6. I researched, verified, analyzed, and reported on the prior sales of the comparable sales for a minimum of one year prior to the date of sale of the comparable sale, unless otherwise indicated in this report.

7. I selected and used comparable sales that are locationally, physically, and functionally the most similar to the subject property.

8. I have not used comparable sales that were the result of combining a land sale with the contract purchase price of a home that has been built or will be built on the land.

9. I have reported adjustments to the comparable sales that reflect the market's reaction to the differences between the subject property and the comparable sales.

10. I verified, from a disinterested source, all information in this report that was provided by parties who have a financial interest in the sale or financing of the subject property.

11. I have knowledge and experience in appraising this type of property in this market area.

12. I am aware of, and have access to, the necessary and appropriate public and private data sources, such as multiple listing services, tax assessment records, public land records and other such data sources for the area in which the property is located.

13. I obtained the information, estimates, and opinions furnished by other parties and expressed in this appraisal report from reliable sources that I believe to be true and correct.

14. I have taken into consideration the factors that have an impact on value with respect to the subject neighborhood, subject property, and the proximity of the subject property to adverse influences in the development of my opinion of market value. I have noted in this appraisal report any adverse conditions (such as, but not limited to, needed repairs, deterioration, the presence of hazardous wastes, toxic substances, adverse environmental conditions, etc.) observed during the inspection of the subject property or that I became aware of during the research involved in performing this appraisal. Comments on market data, including the range of rents for single family properties, an estimate of vacancy for single family rental properties, the general trend of rents and vacancy, and support for the above adjustments. (Rent concessions should be adjusted to the market, not to the subject property.) We investigated studio rental properties located within Murray Hill, Kips Bay and NOMAD neighborhoods and located three comparable rental units which have recently been rented. All three comparable rentals above are similar to the subject in location, gross living area, design and appeal. We adjusted the comparables for variances in gross living area, age/condition and age variance.

We included four additional comparable rental units:

Comp Rental 1: located at 412 East 55th Street Apt 6B rented for $3,825 on 10/20/26 - The building contains 13 stories and 86 units

Comp Rental 2: located at 40 Sutton Place Apt 3C rented for $3,100 on 09/29/2026 - The building contains 10 stories and 74 units

Comp Rental 3: located at 250 East 54th Street Apt 25B rented for $3,650 on 09/15/2026 - The building contains 43 stories and 174 units.

Final Reconciliation of Market Rent: We placed equal emphasis on all three comparable rental units when estimating the subject units monthly market rent.

I (WE) ESTIMATE THE MONTHLY MARKET RENT OF THE SUBJECT AS OF 08/04/2026 **TO BE $** 3,800

Disclosure:
THE APPRAISER JOHN CLAROS DID NOT PROVIDE ANY SERVICES ON THE SUBJECT PROPERTY WITHIN 36 MONTHS LEADING UP TO THE DATE OF VALUATION. IN ADDITION, DO NOT HAVE ANY INTEREST, FINANCIAL OR OTHERWISE, IN THE SUBJECT PROPERTY.

Subject Condition Rating:
Based on our physical inspection, the subject condominium complex which was built in circa 1986, is considered to be and has been well maintained and rated in overall C2: Good condition relative to other condominium type properties within Manhattan, New York.

Method of valuation approach:
We placed sole emphasis on the sales comparison approach to value. Little to no emphasis was placed on the cost approach along with the income approach to value. On the date of valuation we made certain to only include arm's length comparable sale transactions. The comparable sales included on the sales comparison grid, were the best available comparable sales.

Market Conditions Analysis:

Market conditions (supply & demand) for studio unit condominium units was determined to be in balance as of the date of valuation. In our market conditions analysis and research, we noted that prices were increasing within the past 24 to 36 months and have since stabilized within the past 9 months leading up to the date of valuation. Condominium units, have increased in value within the past 12 to 14 months leading up to the date of valuation and have since remained steady in price within 9 months leading up to the date of valuation, along with the national averages.

In our market conditions analysis we analyzed only studio unit condominium units containing the following chracteristics:

YEAR BUILT
AMENITIES - 24 HOUR CONCIERGE - GYM - ROOF TOP DECK
LIVE-IN SUPER
BENEFICIAL HI-RISE VIEWS

STUDIO CONDO UNIT (GLA) RANGE FROM 400 SQ FT - 750 SQ FT

THE CRITERIA PREVIOUSLY DESCRIBED REPRESENTS A SEGMENT OF THE SUBJECT NEIGHBORHOOD, BUT DOES NOT REPRESENT THE NEIGHBORHOOD AS A WHOLE. THIS SEGMENT DOES NOT DELINEATE CERTAIN MARKET FACTORS, SUCH AS FORECLOSURES, DISTRESSED SALES, OR SHORT SALES WHICH GENERALLY WIDEN THE DISPARITY FROM THE LOW LIST/SALE PRICES TO THE HIGH LIST/SALE PRICES.

- **THE MEDIAN COMPARABLE SALE PRICE FOR STUDIO UNIT / 1.0 BATHROOM CONDOMINIUM UNITS WAS $785,000**

BASED ON THE DETAILED MARKET ANALYSIS WE DID NOT APPLY A TIME ADJUSTMENT ON ANY OF THE COMPARABLE SALES. CONDOMINIUM UNIT PRICES WITHIN THE SUBJECT NEIGHBORHOOD OF ASTORIA, QUEENS COUNTY HAVE NOT MATERIALLY CHANGED OVER THE PAST 9 TO 12 MONTHS PRIOR TO THE EFFECTIVE DATE OF THIS APPRAISAL. BASED ON INFORMATION GATHERED USING ONE KEY/MATRIX AND THE CRITERIA DESCRIBED ON THE PREVIOUS PAGES (SEE THE ATTACHED MARKET ANALYSIS CHARTS), TIME ADJUSTMENTS ARE TYPICALLY DERIVED BASED ON THE PERCENT CHANGE IN THE MEDIAN COMPARABLE SALE PRICE FROM THE MONTH A COMPARABLE WENT INTO CONTRACT TO THE EFFECTIVE DATE OF THIS REPORT.

Condition Ratings and Definitions

C1

The improvements have been recently constructed and have not been previously occupied. The entire structure and all components are new and the dwelling features no physical depreciation.

Note: Newly constructed improvements that feature recycled or previously used materials and/or components can be considered new dwellings provided that the dwelling is placed on a 100 percent new foundation and the recycled materials and the recycled components have been rehabilitated/remanufactured into like-new condition. Improvements that have not been previously occupied are not considered “new” if they have any significant physical depreciation (that is, newly constructed dwellings that have been vacant for an extended period of time without adequate maintenance or upkeep).

C2

The improvements feature no deferred maintenance, little or no physical depreciation, and require no repairs. Virtually all building components are new or have been recently repaired, refinished, or rehabilitated. All outdated components and finishes have been updated and/or replaced with components that meet current standards. Dwellings in this category are either almost new or have been recently completely renovated and are similar in condition to new construction.

Note: The improvements represent a relatively new property that is well maintained with no deferred maintenance and little or no physical depreciation, or an older property that has been recently completely renovated.

C3

The improvements are well maintained and feature limited physical depreciation due to normal wear and tear. Some components, but not every major building component, may be updated or recently rehabilitated. The structure has been well maintained.

Note: The improvement is in its first-cycle of replacing short-lived building components (appliances, floor coverings, HVAC, etc.) and is being well maintained. Its estimated effective age is less than its actual age. It also may reflect a property in which the majority of short-lived building components have been replaced but not to the level of a complete renovation.

C4

The improvements feature some minor deferred maintenance and physical deterioration due to normal wear and tear. The dwelling has been adequately maintained and requires only minimal repairs to building components/mechanical systems and cosmetic repairs. All major building components have been adequately maintained and are functionally adequate.

Note: The estimated effective age may be close to or equal to its actual age. It reflects a property in which some of the short-lived building components have been replaced, and some short-lived building components are at or near the end of their physical life expectancy; however, they still function adequately. Most minor repairs have been addressed on an ongoing basis resulting in an adequately maintained property.

C5

The improvements feature obvious deferred maintenance and are in need of some significant repairs. Some building components need repairs, rehabilitation, or updating. The functional utility and overall livability is somewhat diminished due to condition, but the dwelling remains useable and functional as a residence.

Note: Some significant repairs are needed to the improvements due to the lack of adequate maintenance. It reflects a property in which many of its short-lived building components are at the end of or have exceeded their physical life expectancy but remain functional.

C6

The improvements have substantial damage or deferred maintenance with deficiencies or defects that are severe enough to affect the safety, soundness, or structural integrity of the improvements. The improvements are in need of substantial repairs and rehabilitation, including many or most major components.

Note: Substantial repairs are needed to the improvements due to the lack of adequate maintenance or property damage. It reflects a property with conditions severe enough to affect the safety, soundness, or structural integrity of the improvements.

Definitions of Not Updated, Updated, and Remodeled

Not Updated

Little or no updating or modernization. This description includes, but is not limited to, new homes.

Residential properties of fifteen years of age or less often reflect an original condition with no updating, if no major components have been replaced or updated. Those over fifteen years of age are also considered not updated if the appliances, fixtures, and finishes are predominantly dated. An area that is 'Not Updated' may still be well maintained and fully functional, and this rating does not necessarily imply deferred maintenance or physical/functional deterioration.

Updated

The area of the home has been modified to meet current market expectations. These modifications are limited in terms of both scope and cost.

An updated area of the home should have an improved look and feel, or functional utility. Changes that constitute updates include refurbishment and/or replacing components to meet existing market expectations. Updates do not include significant alterations to the existing structure.

Remodeled

Significant finish and/or structural changes have been made that increase utility and appeal through complete replacement and/or expansion.

A remodeled area reflects fundamental changes that include multiple alterations. These alterations may include some or all of the following: replacement of a major component (cabinet(s), bathtub, or bathroom tile), relocation of plumbing/gas fixtures/appliances, significant structural alterations (relocating walls, and/or the addition of) square footage). This would include a complete gutting and rebuild.

Explanation of Bathroom Count

Three-quarter baths are counted as a full bath in all cases. Quarter baths (baths that feature only a toilet) are not included in the bathroom count. The number of full and half baths is reported by separating the two values using a period, where the full bath count is represented to the left of the period and the half bath count is represented to the right of the period.

Example:
3.2 indicates three full baths and two half baths.

(d) If the Unit is located in the City of New York, the "customs in respect to title closings" recommended by The Real Estate Board of New York, Inc., as amended and in effect on the date of Closing, shall apply to the adjustments and other matters therein mentioned, except as otherwise provided herein.

8. Right of First Refusal: If so provided in the Declaration or By-Laws, this sale is subject to and conditioned upon the waiver of a right of first refusal to purchase the Unit held by the Condominium and exercisable by the Board. Seller agrees to give notice promptly to the Board of the contemplated sale of the Unit to Purchaser, which notice shall be given in accordance with the terms of the Declaration and By-Laws, and Purchaser agrees to provide promptly all applications, information and references reasonably requested by the Board. If the Board shall exercise such right of first refusal, Seller shall promptly refund to Purchaser the Downpayment (which term, for all purposes of this contract, shall be deemed to include interest, if any, earned thereon, and title charges including but not limited to examination of title and departmental charges) and upon the making of such refund this Contract shall be deemed cancelled and of no further force or effect and neither party shall have any further rights against, or obligation or liabilities to, the other by reason of this contract. If the Board shall fail to exercise such right of first refusal within the time and in the manner provided for in the Declaration or By-Laws or shall declare in writing its intention not to exercise such right of first refusal (a copy of which writing shall be delivered to Purchaser promptly following receipt thereof), the parties hereto shall proceed with this sale in accordance with the provisions of this contract.

9. Processing Fee: Seller shall, at the Closing, pay all fees and charges payable to the Condominium (and/or its managing agent) in connection with this sale, including, but not limited to, any processing fee, the legal fees, if any, of the condominium's attorney in connection with this sale and, unless otherwise agreed to by Seller and Purchaser in writing, all "flip taxes," transfer or entrance fees or similar charges, if any, payable to or for the Condominium or otherwise for the benefit of the Condominium unit owners, which arise by reason of this sale. ~~Said fees, as disclosed by the Declaration, are as follows:~~ **Purchaser shall pay application fees and other fees assessed against a Purchaser by the condominium.**

10. No Other Representations: Purchaser has examined and is satisfied with the Declaration, By-Laws and rules and regulations of the Condominium as amended, or has waived the examination thereof. Purchaser has inspected the Unit, its fixtures, appliances and equipment and the personal property, if any, included in this sale, as well as the Common Elements of the Condominium, and knows the condition thereof and, subject to subpara. 5(f), agrees to accept the same "as is," i.e., in the condition they are in on the date hereof, subject to normal use, wear and tear between the date hereof and the Closing. Purchaser has examined or waived examination of the last audited financial statements of the Condominium, and has considered or waived consideration of all other matters pertaining to this Contract and to the purchase to be made hereunder, and does not rely on any representations made by any broker or by seller or anyone acting or purporting to act on behalf of Seller as to any matters which might influence or affect the decision to execute this Contract or to buy the Unit, or said personal property, except those representations and warranties which are specifically set forth in this Contract.

11. Possession: Seller shall, at or prior to the Closing, remove from the Unit all furniture, furnishings and other personal property not included in this sale, shall repair any **MATERIAL** damage caused by such removal, and shall deliver exclusive possession of the Unit at the Closing, vacant, broom-clean and free of tenancies or other rights of use or possession.

12. Access: Seller shall permit Purchaser and its architect, decorator or other authorized persons to have the right of access to the Unit between the date hereof and the Closing for the purpose of inspecting the same and taking measurements, at reasonable times and upon reasonable prior notice to Seller (by telephone or otherwise). Further, Purchaser shall have the right to inspect the Unit at a reasonable time during the 24-hour period immediately preceding the Closing.

13. Defaults and Remedies: (a) If purchaser defaults hereunder, Seller's sole remedy shall be to retain the Downpayment as liquidated damages, it being agreed that Seller's damages in case of Purchaser's default might be impossible to ascertain and that the Downpayment constitutes a fair and reasonable amount of damages under the circumstances and is not a penalty.

(b) If Seller defaults hereunder, Purchaser**'s sole** ~~shall have such~~ remedies **shall be to either (a) receive the return of the Downpayment, or (b) seek** ~~as Purchaser shall be entitled to at law or in equity, including, but not limited to,~~ specific performance. Except in the event of a willful default, **Purchaser is prohibited from seeking any other remedies or damages in the event of Seller's default.**

14. Notices: Any notice, request or other communication ("Notice") given or made hereunder (except for the notice required by para. 12), shall be in writing and either (a) sent by any of the parties hereto or their respective attorneys, by registered or certified mail, return receipt requested, postage prepaid, or (b) delivered in person or by overnight courier, with receipt acknowledged, to the address given at the beginning of this Contract for the party to whom the Notice is to be given, or to such other address for such party as said party shall hereafter designate by Notice given to the other party pursuant to this para. 14**, or (c) by electronic mail by and between the respective attorneys for each party**. Each Notice mailed shall be deemed given on the fourth business day following the date of mailing and each Notice delivered in person or by overnight courier shall be deemed given when delivered **and each Notice delivered via electronic mail shall be deemed given when transmitted. Notwithstanding, notices of default may not be delivered by electronic mail only, and must be delivered as set forth in subsection 14(a) or 14(b)**.

15. Purchaser's Lien: The Downpayment and all other sums paid on account of this Contract and the reasonable expenses of the examination of title, and departmental violation searches in respect of, the Unit are hereby made a lien upon the Unit, but such lien shall not continue after default by Purchaser.

16. Downpayment in Escrow: (a) Seller's attorney ("Escrowee") shall hold the Downpayment for Seller's account in escrow in a segregated bank account at the depository identified at the end of this Contract until Closing or sooner termination of this Contract and shall pay over or apply the Downpayment in accordance with the terms of this para.16. Escrowee shall *(not)* ~~*(Delete if inapplicable)*~~ hold the Downpayment in an interest-bearing account for the benefit of the parties. If interest is held for the benefit of the parties, it shall be paid to the party entitled to the Downpayment and the party receiving the interest shall pay any income taxes thereon. If interest is not held for the benefit of the parties, the Downpayment shall be placed in an IOLA account or as otherwise permitted or required by law. The Social Security or Federal Identification numbers of the parties shall be furnished to Escrowee at the end of this contract. At closing, the Downpayment shall be paid by Escrowee to Seller. If for any reason Closing does not occur and either party gives Notice (as defined in para.14) to Escrowee demanding payment of the Downpayment, Escrowee shall give prompt Notice to the other party of such demand. If Escrowee does not receive such Notice of objection within such 10 day period or if for any other reason Escrowee in good faith shall elect not to make such payment, Escrowee shall continue to hold such amount until otherwise directed by Notice from the parties to this Contract or a final, nonappealable judgment, order or decree of a court of competent jurisdiction. However, Escrowee shall have the right at any time to deposit the Downpayment with the clerk of a court in the county in which the Unit is located and shall give Notice of such deposit to Seller and Purchaser. Upon such deposit or other disbursement in accordance with the terms of this para. 16, Escrowee shall be relieved and discharged of all further obligations and responsibilities hereunder.

(b) The parties acknowledge that, although Escrowee is holding the Downpayment for Seller's account, for all other purposes Escrowee is acting solely as a stakeholder at the request of the parties and for their convenience and that Escrowee shall not be liable to either party for any

act or omission on its part unless taken or suffered in bad faith or in willful disregard of this Contract or involving gross negligence on the part of Escrowee. Seller and Purchaser jointly and severally agree to defend, indemnify and hold Escrowee harmless from and against all costs, claims and expenses (including reasonable attorneys' fees) incurred in connection with the performance of Escrowee's duties hereunder, except with respect to actions or omissions taken or suffered by Escrowee in bad faith or in willful disregard of this Contract or involving gross negligence on the part of Escrowee.

(c) Escrowee may act or refrain from acting in respect of any matter referred to herein in full reliance upon and with the advice of counsel which may be selected by it (including any member of its firm) and shall be fully protected in so acting or refraining from action upon the advice of such counsel.

(d) Escrowee acknowledges receipt of the Downpayment by check subject to collection and Escrowee's agreement to the provisions of this para. 16 by signing in the place indicated in this Contract.

(e) Escrowee or any member of its firm shall be permitted to act as counsel for Seller in any dispute as to the disbursement of the Downpayment or any other dispute between the parties whether or not Escrowee is in possession of the Downpayment and continues to act as Escrowee.

(f) The party whose attorney is escrowee shall be liable for the loss, if any, of the down payment fund(s).

17. FIRPTA: Seller represents and warrants to Purchaser that Seller is not a "foreign person" as defined in IRC β 1445, as amended, and the regulations issued thereunder ("Code Withholding Section"). At the Closing Seller shall deliver to Purchaser a certification stating that Seller is not a foreign person in the form then required by the Code Withholding Section. In the event Seller fails to deliver the aforesaid certification or in the event that Purchaser is not entitled under the Code Withholding Section to rely on such certification, Purchaser shall deduct and withhold from the Purchase Price a sum equal to 10% thereof and shall at Closing remit the withheld amount with the required forms to the Internal Revenue Service.

18. Title Report; Acceptable Title: (a) Purchaser shall promptly after the date hereof, ~~or after receipt of the mortgage commitment letter, if applicable,~~ order a title insurance report from the Title Company of purchaser choice. Promptly after receipt of the title report and thereafter of any continuation thereof and supplements thereto, Purchaser shall forward a copy of each such report, continuation or supplement to the attorney for Seller. Purchaser shall further notify Seller's attorney of any other objections to title not reflected in such title report of which Purchaser becomes aware following the delivery of such report, reasonably promptly after becoming aware of such objections.

(b) Any unpaid taxes, assessments, water charges and sewer rents, together with the interest and penalties thereon to a date not less than two business days following the date of Closing, and any other liens and encumbrances which Seller is obligated to pay and discharge or which are against corporations, estates or other persons in the chain of title, together with the cost of recording or filing any instruments necessary to discharge such liens and encumbrances of record, may be paid out of the proceeds of the monies payable at the Closing if Seller delivers to Purchaser at the Closing official bills for such taxes, assessments, water charges, sewer rents, interest and penalties and instruments in recordable form sufficient to discharge any other liens and encumbrances of record. Upon request made not less than 3 business days before the Closing, Purchaser shall provide at the Closing separate checks for the foregoing payable to the order of the holder of any such lien, charge or encumbrance and other-wise complying with subpara. 3(b). If the Title Company is willing to insure Purchaser that such charges, liens and encumbrances will not be collected out of or enforced against the Unit and is willing to insure the lien of Purchaser's Institutional Lender (as hereinafter defined) free and clear of any such charges, liens and encumbrances, the Seller shall have the right in lieu of payment and discharge to deposit with the Title Company such funds or give such assurances or to pay such special or additional premiums as the Title Company may require in order to so insure. In such cases the charges, liens and encumbrances with respect to which the Title Company has agreed to insure shall not be considered objections to title.

(c) Seller shall convey and Purchaser shall accept fee simple title to the Unit in accordance with the terms of this Contract, subject only to: (a) the Permitted Exceptions and (b) such other matters as (i) the Title Company or any other title insurer licensed to do business by the State of New York shall be willing, without special or additional premium, to omit as exceptions to coverage or to except with insurance against collection out of or enforcement against the Unit (ii) ~~shall be accepted by any lender which has committed in writing to provide mortgage financing to Purchaser for the purchase of the Unit ("Purchaser's Institutional Lender"), except that if such acceptance by Purchaser's Institutional Lender is unreasonably withheld or delayed, such acceptance shall be deemed to have been given~~.

(d) Notwithstanding any contrary provisions in the Contract, express or implied, or any contrary rule of law or custom, if Seller shall be unable to convey the Unit in accordance with this Contract (provided that Seller shall release, discharge or otherwise cure at or prior to Closing any matter created by Seller after the date hereof and any existing mort-gage, unless this sale is subject to it) and if Purchaser elects not to complete this transaction without abatement of the Purchase Price, the sole obligation and liability of Seller shall be to refund the Downpayment to Purchaser, together with the reasonable cost of the examination of title and departmental violation searches in respect of, the Unit, and upon the making of such refund and payment, this Contract shall be deemed cancelled and of no further force or effect and neither party shall have any further rights against, or obligation or liabilities to, the other by reason of this contract. However, nothing contained in the subpara. 18(d) shall be construed to relieve Seller from liability due to a willful default.

19. Risk of Loss; Casualty: (a) The risk of loss or damage to the Unit or the personal property included in this sale, by fire or other casualty, until the earlier of the Closing or possession of the Unit by Purchaser, is assumed by Seller, but without any obligation of Seller to repair or replace any such loss or damage unless Seller elects to do so as herein-after provided. Seller shall notify Purchaser of the occurrence of any such loss or damage to the Unit or the personal property included in this sale within 10 days after such occurrence or by the date of Closing, whichever first occurs, and by such notice shall state whether or not Seller elects to repair or restore the Unit and/or the personal property, as the case may be. If Seller elects to make such repairs and restorations, Seller's notice shall set forth an adjourned date for the Closing, which shall be not more than 60 days after the date of the giving of Seller's notice. If Seller either does not elect to do so or, having elected to make such repairs and restorations, fails to complete the same on or before said adjourned date for the Closing, Purchaser shall have the following options:

(i) To declare this Contract cancelled and of no further force or effect and receive a refund of the Downpayment in which event neither party shall thereafter have any further rights against, or obligations or liabilities to, the other by reason of this Contract; or

(ii) To complete the purchase in accordance with this Contract without reduction in the Purchase Price, except as provided in the next sentence. If Seller carries hazard insurance covering such loss or damage, Seller shall turn over to Purchaser at the Closing the net proceeds actually collected by Seller under the provisions of such hazard insurance policies to the extent that they are attributable to loss of or damage to any property included in this sale, less any sums theretofore expended by Seller in repairing or replacing such loss or damage or in collecting such proceeds; and Seller shall assign (without recourse to Seller) Seller's right to receive any additional insurance proceeds which are at-attributable to the loss of or damage to any property included in this sale.

(b) If seller does not elect to make such repairs and restorations, Purchaser may exercise the resulting option under (i) or (ii) of (a) above only by notice given to Seller within 10 days after receipt of Seller's notice. If Seller elects to make such repairs and restorations and fails to complete the same on or before the adjourned closing date, Purchaser may exercise either of the resulting options within 10 days after the adjourned closing date.

(c) In the event of any loss of or damage to the Common Elements which materially and adversely affects access to or use of the Unit, arising after the date of this Contract but prior to the Closing, Seller shall notify Purchaser of the occurrence thereof within 10 days after such occurrence or by the date of Closing, whichever occurs first, in which event Purchaser shall have the following options:

(i) To complete the purchase in accordance with this Contract without reduction in the Purchase Price; or

(ii) To adjourn the Closing until the first to occur of (1) completion of the repair and restoration of the loss or damage to the point that there is no longer a materially adverse effect on the access to or use of the Unit or (2) the 60th day after the date of the giving of Seller's aforesaid notice. In the event Purchaser elects to adjourn the Closing as aforesaid and such loss or damage is not so repaired and restored within 60 days after the date of the giving of Seller's aforesaid notice, then Purchaser shall have the right either to (x) complete the purchase in accordance with this Contract without reduction in the Purchase Price or (y) declare this Contract cancelled and of no further force or effect and receive a refund of the Downpayment, in which latter event neither party shall thereafter have any further rights against, or obligations or liabilities to, the other by reason of this Contract.

(d) In the event of any loss of or damage to the Common Elements which does not materially and adversely affect access to or use of the Unit, Purchaser shall accept title to the Unit in accordance with this Contract without abatement of the Purchase Price.

20. Internal Revenue Service Reporting Requirement: Each party shall execute, acknowledge and deliver to the other party such instruments, and take such other actions, as such other party may reasonably request in order to comply with IRC β 6045(e), as amended, or any successor provision or any regulations promulgated pursuant thereto, insofar as the same requires reporting of information in respect of real estate transactions. The provisions of this para. 20 shall survive the Closing. The parties designate Purchaser's Counsel as the attorney responsible for reporting this information as required by the Internal Revenue Code.

Seller and Purchaser shall indemnify and defend each other against any costs, claims or expenses (including reasonable attorneys' fees) arising out of the breach of any representation, warranty or agreement contained in this para. 21. The provisions of this para. 21 shall survive the Closing or, if the Closing does not occur, the termination of this Contract.

Purchaser shall comply with all requirements of such commitment (or of any commitment accepted by Purchaser) and shall furnish Seller with a copy thereof promptly after receipt thereof. If such commitment is not issued on or before the Commitment Date, then, unless Purchaser has accepted a commitment that does not comply with the requirements set forth above, Purchaser may cancel this Contract by giving Notice to Seller within 5 business days after the Commitment Date, in which case this Contract shall be deemed cancelled and thereafter neither party shall have any further rights against, or obligation or liabilities to, the other by reason of this Contract except that the Downpayment shall be promptly refunded to Purchaser and except as set forth in para. 21. ~~If Purchaser fails to give Notice of cancellation or if~~ If Purchaser shall accept a commitment that does not comply with the terms set forth above, the Purchaser shall be deemed to have waived Purchaser's right to cancel this Contract and to receive a refund of the Downpayment by reason of the contingency contained in this para. 22.

Purchaser hereby expressly acknowledges that no such representations have been made to him. If Seller shall be unable to convey a good and marketable title and insurable title, subject to and in accordance with this Contract, the sole obligation of Seller shall be to refund Purchaser's down payment made hereunder and to reimburse Purchasers for cost of title examination and related searches, which cost shall not exceed the charges fixed by the New York Board of Title Underwriters and, upon the making of such refund and reimbursement, this Contract shall wholly cease and terminate and neither party shall have any further claim against the other by reason of this Contract and the lien, if any, of Purchaser against the Unit shall wholly cease. The provisions of this paragraph shall survive Closing.

38. **OBJECTION TO TITLE**

The existence of any other potential or real liens or encumbrances which shall be discharged by payment of money or satisfaction of the entirely of same, at time of closing, shall not constitute an objection to the title, provided that Seller at the time of closing shall deposit with the title company or with the attorneys for Purchaser a sum full and sufficient, in the judgment of the title company, to satisfy such potential or real lien or encumbrances of record, as same can be satisfied or discharged of record by the payment of money and delivery to Purchaser of an instrument sufficient for recording to satisfy said lien or encumbrances, together with recording fees therefore. Such sum and instruments shall satisfy and be approved by the title company. 41. **ADJOURNMENT**

It is understood and agreed that in the event the title examination shall disclose any objections or defects in title, Purchaser will give to Seller, if requested by Seller, a reasonable adjournment in the closing of title, in order to enable Seller to endeavor to remedy or clear up any such defects or objections to title, such adjournment not to exceed thirty (30) days, but any such request for adjournment for the above by Seller shall not be construed as in any way imposing any obligation upon Seller to cure or remedy such objection or defect in title.

42. **ASSIGNMENT**

This Contract may not be assigned or transferred by the Purchaser without the express written permission of Seller.

43. **DISHONOR**

In the event that the check given as down payment/deposit herein and delivered by Purchaser to Seller upon execution of this Contract, is dishonored for any reason except for clerical error by the bank upon which it is drawn, then Seller, after giving the Purchasers two (2) days written notice to cure, in addition to any other rights and remedies they may

have, may at their option, declare this Contract null and void and then, thereupon, Seller shall be relieved and released from all obligations hereunder.

44. **NON-BINDING EFFECT**

It is acknowledged that the Seller has not had an opportunity to read and review the within Contract of Sale. The preparation of the within Contract of Sale by the Seller's attorneys, and the furnishing of same to Purchaser or its attorney, shall in no way obligate the Seller hereto to any of the terms and provisions herein contained until such time as the Seller duly execute the within Contract of Sale.

45. **I.R.S. REPORTING REQUIREMENTS**

Purchaser shall adjust on the basis of actual taxes charged by the taxing authority. Purchaser acknowledges that the representation made by Seller in paragraph 5(d) is only an approximate figure. Purchaser represents that Purchaser has made inquiry with the New York City Department of Finance and is aware of the current real estate taxes affecting the Unit.

48. At Closing, Seller shall pay any transfer taxes (but not the so-called "mansion tax") due to New York State (utilizing form TP-584) and New York City (utilizing form RPT). Purchaser shall pay to the condominium any additional working capital contribution at Closing if same is required by the Condominium. Seller shall not be obligated to discharge judgments, liens, tax liens or mechanical liens which are or may have been incurred by the Condominium or other unit owners, so long as not attached or recorded against the Unit. Purchaser agrees to pay any closing or transfer fees or costs, other than any Flip Tax which is the responsibility of the Seller, specifically imposed by the Condominium or managing agent on Purchaser in connection with this transaction. Purchaser shall be responsible for and shall pay all assessments which may be levied by the Corporation on or after the date hereof and which are due after the date of Closing, whether in installments or otherwise. Seller may pay such assessments in installments, but any installments due after Closing, shall be the responsibility of Purchaser. The parties will adjust any installment payments made during the month of Closing on a pro rata basis.

49. Seller may consummate the sale of the Unit as part of a so-called like-kind exchange (the "Exchange") pursuant to Section 1031 of the Internal Revenue Code of 1986, as

amended, provided that all costs, fees and expenses attendant to the Exchange shall be sole responsibility of Seller. Purchaser shall cooperate with Seller in effecting the Exchange.

50. Nothing herein is intended to imply that the condominium board, in its discretion, may not raise common charges or levy special assessments prior to the Closing. Such act or acts shall not be cause for Purchaser to terminate this Contract or receive the return of Purchaser's down payment. In such event, Purchaser shall be responsible for payment of Purchaser's pro rata share of any such assessment and/or any such increase in common charges from and after the Closing Date.

51. This Contract shall not be construed as an offer to sell by Seller herein until Seller has agreed to all of the terms and conditions of same by signing this Contract. This Contract shall not be binding upon Seller unless, and until, it has been fully executed by Seller and delivered by Seller to Purchaser or Purchaser's attorney.

52. Seller discloses that Seller has no knowledge of the existence on the Premises and in the Unit of lead-based paint or lead-based paint hazards but that it is not improbable that lead-based paint is present in the Unit and on the Premises if the Premises was built prior to 1978. Seller discloses that Seller has no reports or records pertaining to lead-based paint or lead-based paint hazards in the Unit or on the Premises. Purchaser waives her statutory right to further inspect the Unit and the Premises and to cancel this Contract if lead-based paint is found. The parties shall, simultaneously with the execution of this Contract, execute a Disclosure in the form attached hereto and made a part hereof. Purchaser acknowledges receipt of the pamphlet "Protect Your Family from Lead in Your Home".

53. Electronic or PDF signatures shall be deemed to be, and shall be enforced as, original signatures. This Contract may be signed in counterparts.

IN WITNESS WHEREOF, the parties hereto have executed this Contract as of the date first set forth above.

R2- VIOLATIONS/JUDGMENTS: (a) Seller represents to the best of Seller's knowledge that there are no violations of record against the Unit that Sellers are obligated under the Condominium by-laws to cure, and to Sellers' knowledge, no condition exists that will constitute a violation of law or government regulation, and that the Unit shall be delivered free of violations at closing. (b) To the extent there are judgments or violations against the building and Purchasers' Lender requires a letter of indemnity holding Lender, ISAOA, ATIMA harmless from and against liability for same, Seller agrees to request such indemnity letter from the Condominium.

R3- Litigation: Seller represents that as of the date of this Contract; Seller has received no written notice and has no actual knowledge of any pending or threatened litigation or claim against or concerning Seller or the Unit.

R4- Condominium Notices: Seller shall, after this Contract has been fully executed, promptly after receipt thereof, as an accommodation, deliver to Purchaser copies of any notice from the condominium association relating to: (1) any increase in the amount of monthly common charges as set forth in the Offering Plan and amendments thereof or as set forth in paragraph 5(b) of the preprinted Contract; (2) any intended or proposed assessment; (3) any proposed amendment or change regarding any applicable "flip tax" or other transfer fee charged by the condominium or its managing agent; (4) any proposed amendment or modification of the declaration and by-laws; (5) any proposed construction or repair work, the cost of which is intended to be borne by the condominium association, its insurers or unit owners; (6) any refinancing or other material change with respect to any mortgage affecting the premises; or (7) any damage or casualty to the unit or the premises. Failure by Seller to deliver any such notices shall not be an event of default by Seller hereunder or a breach of any term or provision of this Contract.

R5- Damage to Unit or Access: Purchasers shall have the option to cancel this Contract, up to and including the date of Closing, by action in writing to that effect to Sellers if the Building is damaged by fire or other cause prior to the Closing and access to the Unit is materially interfered with as a result of such damages, without regard as to whether the Unit has been damaged.

R6- Smoke and Carbon Monoxide Detector: At the Closing Sellers shall also deliver a properly completed and executed Smoke Alarm and Carbon Monoxide Affidavit pursuant to Executive Law § 378.5, which Purchasers also shall execute and which shall be filed with the New York City Real Property Transfer Tax Return. Closing and install an operational carbon monoxide detector pursuant to Executive Law 378(5)a.

R7- Documents: Sellers agree to execute any such customary closing documents as are required at closing by Purchasers' Lending Institution, including but not limited to the execution of affidavits, settlement statements, contract certifications, payment of transfer tax agreements and Form 1099, if applicable, etc.

R10- Delivery of Possession: Seller shall at closing deliver the premises vacant and broom clean, free of debris and tenancies, together with the keys, including door and mailbox as well as any applicable passes and keys for any common areas. Seller shall deliver keys to the storage area and pool passes to Purchaser, if any, to the extent in Seller's possession.

R11 – Supplementing paragraph 41 of the Contract of Sale: All notices to Purchaser of a rescheduled closing date shall be reasonable and not create undue hardship.

R12. FACSIMILE/ELECTRONIC SIGNATURE/COUNTERPARTS:
This Contract **and all riders made a part** may be executed by the parties individually in several separate counterparts, each of which shall be deemed an original, and all of the said counterparts taken together shall be deemed to constitute one and the same instrument. The delivery of an executed counterpart, whether by original duplicate or facsimile (including a PDF copy sent via email) executed by a party shall bind the party that executed this Contract in such manner.

R13. Seller represents to the extent that it and not the condominium association is responsible for plumbing, heating, ventilation and electrical systems within the Unit, that said items will be in working order on the date of closing and that the Unit shall be free of leaks at closing. If any of the above systems for which the Seller is not responsible are not in working order or if the Unit is not free from leaks for reasons that are not the Seller's responsibility, Seller shall notify Purchaser of same promptly after discovery thereof. Any conditions that are not in working order shall be remedied by the Seller, or by the condominium, whomsoever shall have responsibility for same, prior to the closing. Where the condominium is responsible for the repair of said conditions, Purchaser, in lieu of requiring said items to be repaired by the condominium prior to closing, shall accept a letter from the condominium given prior to closing, stating that the condominium acknowledges its responsibility to make repairs to the named conditions and that it will undertake to make such repairs in a timely manner post closing, in which event the Closing Date shall not be delayed.
